GEARED DIFFERENTLY

Since it's revolutionary inception in the mid 1990's, GEARWRENCH has proven itself to be a force to be reckoned with in the tool industry. The original GEARWRENCH ratcheting wrench is now a tool box necessity for almost every professional tool user. Scores of innovative new products, designed to provide a solution for any task, are being introduced every year. We make it our business to know the challenges you face on the job, so we can create the tools that help you get the job done faster.

GEARWRENCH has always been focused on continuous improvement in three areas: Speed, Strength, Access.

GEARWRENCH® PRODUCT LIMITED WARRANTY

Apex Tool Group (ATG) quality products are guaranteed against any defect in material or workmanship.

Damage caused by abuse, improper use, or excessive wear is not covered by this warranty.

This warranty is provided in addition to other rights and remedies you have under law: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Claims should be returned to place of purchase with receipt.
